### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Doran Pace on 5/26/05. Applicants amendment filed 5/13/05 overcame all rejections and objections of record. The following amendment has been authorized by applicants representative since the examiner raised concerns of failure to further limit claims, and potential 112nd rejection based on the recitation of "composition" in the claims. Applicants representative agreed to cancel and amend without prejudice solely to expedite the application to issue.

The application has been amended as follows:

Claims 9-13, 22-26, 29, and 39 have been canceled.

In claim 8, line 1, "composition" has been deleted and replaced with — compound--.

In claim 8, line 2, "composition" has been deleted and —replaced with— compound--.

In all of claims 37, 38, and 64, "composition" has been deleted and replaced with --compound--.
